3	<p>Responses to the Regulation 14 Consultation. November 1st to December 13th.</p> <p>a) PF reported on his analysis of the responses. There were responses against the Plan and responses in favour of the plan which were discussed in detail. Mostly the responses repeated those from the previous consultation. New responses will be considered for addition to the Plan or for adjusting the wording in the Plan were appropriate. PF's detailed analysis was accepted by the Group and the Chairman thanked PF for his work on this.</p> <p>b) WR had analysed the responses from the Statutory Bodies and reported on them. All support the Plan in principle except the response from WLDC. It was agreed that to answer all the questions raised by the WLDC response professional help would be required. It was also agreed that RW should apply to WLDC for a Top-up Grant for this purpose and that WR should contact Locality for advice and assistance.</p> <p>c) The above actions were proposed by LH and unanimously agreed by the group.</p>	RW WR
