Vicars Blog :

Lots of people have asked me, so I will just report on my trip to Westminster Hall for the Queen's Jubilee lunch. First of all, it was a huge privilege to be there, and to be there with a group of lovely people all of whom were supported in one way or another by The Mercers Company, so for example, a 74 year old woman who sat next to me lives in one of the alms houses built by The Mercers, a young man who was studying singing at the Guild Hall School of Music, a Youth Leader working in the East End of London and for whom the Mercers had just completed the building of a youth centre. There were members of the forces, members of the scouts and guides and young and old were royally entertained by a superb orchestra of young people numbering about 80.

My first impression of London was that it was quiet for a weekday! I walked down Whitehall, rather early, a few people were milling around, but mostly police, some of whom were lifting drain covers to check for bombs! Then to Westminster and a long wait as folk started to gather to go through security checks before entering the Hall. It was a little like airport security, but no shoes needed to be removed! Then onto the next wait and then into the Hall itself, which was magnificent. Not at all what I expected, almost like a huge medieval barn! As people started to gather we found our tables and were amazed to discover that the Royal family were seated individually on tables among us. Hence the Queen was on the table next door to us, which put us all on our guard! We were then briefed, about protocol, the trumpeters came to their places, the fanfare was played and the Queen arrived, walking down the steps of the Hall and to her place. I was quite mesmerized by her demeanour, a diminutive, dignified, charismatic figure, looking slightly alone, all eyes on her waiting for her next move, and wearing the most stunning outfit in mint green with silver laced through it (just making a bid to be a royal correspondent here!)

The lunch passed very quickly, lovely food but not too much time to savour it. Then the departure. The carriage drew up in place, the Yeoman arrived in their stunning red coats and the Queen and the Royal family processed through the Hall.... And the thing I will remember for a long time – we had reached Westminster Hall early before the crowds gathered and it was a little bit like being in a cocoon for a while, but as the carriage proceeded around the corner to begin the procession back to Buckingham Palace, I will always remember the roar of the crowd, it was a phenomenal welcome to her Majesty as she returned to the streets of London.

It was an amazing day. I have a few photographs, but not many. Protocol and security didn't allow it. But it will remain in memory as a very special, privileged occasion, the like of which I will never experience again.

The Queen's Jubilee Celebrations on June 2nd were great fun, raised money for Help for Heroes and provided a focus for the village community to celebrate. The weather stayed fair for the picnic and we enjoyed the school children singing and they were very keen to get involved with the old fashioned sports day races. The Scouts provided much needed refreshments and the bouncy castle was constantly busy, everything free. The dance with "Trent Connection" kept the dance space permanently well used with old time and modern numbers. Many thanks to the Village Hall Events Committee, Emma, Barnaby, Brenda, Elaine and Iris and all who generously donated to the raffle prizes as well as those of you who bought tickets. Thanks also to Maralyn Papworth for the use of the school playing field and the organisation of the singing and to John and Mary Pycock for the use of their excellent public address system and to everyone who helped in the organisation of the celebrations. Thanks to the WLDC CAV fund for funding the picnic, to Newlink for cakes and balloons and to Limagrain and Hubbard's Seeds for flower seeds and compost. Due to the generosity of the Fiskerton community I was able to send £572.00 to Help for Heroes. Robert Wall.

AND.....

Fiskerton Diamond Jubilee Celebrations.

Thank you very much to the events committee of Fiskerton village hall for the superb family afternoon on the school playing field, it was good to see so many people there mixing in and enjoying the childrens' games and activities.

The big band dance was also a great evening and those people unable to attend missed out on a grand do.

<u>Thanks:</u>

<u>Jubilee celebrations</u>. Unfortunately I was not here but I am told the street party in Holmfield was great fun. The weather was kind on the Tuesday. I went to a similar party in Reading on the Sunday. It was a total wash out. I was in London that Sunday morning, on Waterloo Bridge. Seeing all the crowds gathering was quite exciting in spite of the rain.

<u>The Fiskerton crime wave</u>. In the short time since the entering all the Parish Plan details into the database, we have experienced a crime wave. Two properties were hit in Blacksmiths Lane, where a gate and window were forced. Bulky items were taken as well as cash.

There was a walk in burglary in Hall Lane. The householder was in the garden. What would have happened had the owner gone back in doors and disturbed the thief? A stolen purse was found, empty, hidden in the back garden next door. Of course the money had gone.

A couple of days later there was a "break in" in Ridings Close. I am told a double glazed window was broken to gain entry. I have twice asked the police to feature the thefts on the Home Watch Page but no joy. Langworth Parish Council is installing a low cost cctv system for the playground and village hall. Perhaps we need to install similar systems in our homes together with the necessary burglar alarm. In Langworth the cctv system cost about £150 from Maplin.

<u>The Parish Plan</u>: I have just finished entering the information in the database, and would like to thank Graham, Pam, Kipper and Paul for their help. It has taken a time. (Nearly15 hours just ticking Yes boxes.) No final analysis yet but it seems to me top of the list was dog fouling, followed by a multipurpose playing field and footpaths to Reepham and Cherry. Most people felt safe in their homes and had never had to call a police officer. How quickly things can change.

The Holmfield Open Spaces. There is an ongoing saga regarding the two open spaces on the Chapelrise Estate, between residents, the parish council, West Lindsey District Council and Morris Homes. I do not want to bore others with the details but the situation is not satisfactory and there was a three way meeting in the village hall last Monday. The issue has been on going since 2006 so the matter has dragged on for quite a while. Hopefully it will be sorted at the next parish council meeting in July.

Grass mowing. Several residents have complained about the overgrown foliage on our footpaths, the riverside walks and the open spaces. With regards the footpaths, Lincolnshire County Council regard the matter as a joke and blames the lack of cutting on government cutbacks. Cutting is down from three times a year to two. A 33% reduction. My council tax has not been reduced. The Witham Drainage Board have been notified regarding the river banks.

- There are plans to install a covered-in shelter for teenagers in the grounds of the village hall, funding for which will hopefully come from WLDC Councillors' Initiative Fund.
- LCC Highways is to investigate the surface water system along High Street and arrange for the drains to be jetted to alleviate flooding outside the Carpenters Arms. They are also to repair potholes in the vicinity of the Church and contact the builders at The Close to remove their building materials from the verges and make good any damaged areas.
- > The internal audit has been completed and the audit return sent to the external auditors.
- > The Environment Agency has repaired the tarmac at the base of the Five Mile bridge
- Parish Plan. All information has been entered into the database. Most concerns appear to be about dog fouling and the need for a multi-function sports field, a shelter for youths and footpaths to Reepham and Cherry Willingham. The Parish plan steering group will report in due course.
- Following a motorbike accident near the church, the Parish council would like to thank Mr. Andrew Leishman from Reepham for his actions and assistance at the scene of the accident.

July 9th /August 13th Story time 10.15 am. Every second Monday in the month pre-schoolers and their carers are invited to the library to join Sarah and her puppets for a fun session of stories, rhymes and songs. One mum said 'In case any one asks what the story time was like. I took my daughter and it was really good. Sarah's story telling is very animated; she does different voices and sound effects.'

Summer reading Challenge. Step into Story Lab, and you're off on an imaginative adventure that knows no bounds. The brainchild of Prof Cortex, the Story Lab's on board computer, Story Lab is a five-sided hi-tech HQ that attracts stories from all over the world and sends them spinning throughout the city – and beyond! Here you can read, collect, share, create, transmit and broadcast stories.

The Story Lab will:

- exist virtually as the SRC website environment
- exist as a 3-D cardboard replica which will form the core item in the children's packs
- plus libraries can create a Story Lab in their libraries (we will support with ideas and graphics)

Where does the future take us?

Splashing, Jumping and Dashing!

The children are busy practicing for Sports Day and in the outside play area they are making use of the water play equipment. This was purchased earlier in the year with our Echo Community Cash, thanks to all of you who contributed tokens. The outside play area has also just had a new gate fitted.

So as the summer term draws to a close our preschool is better equipped, more secure and looking smarter. The improvements at preschool have added to the children's enjoyment of their time spent here as many of them prepare to make the move up to primary school.

With the recent appointment of a new setting leader, Maria Davidson, we now have five staff members. They are doing an admirable job of providing individual support for each of the children over our age range of 2-5 years. This allows each child to make the most of the opportunities that preschool presents for socialising, playing and learning with the other children of the village with whom they are likely to be class-mates for the next seven years.

As the end of the year approaches it is an opportunity for us to re-evaluate how we are doing things at preschool.

- ➢ Is our preschool meeting the needs of the village and surrounding area?
- > Are the sessions offered at present sufficient?
- Do we need to offer more places at 2 years of age or should we restrict the intake so that children only attend for one year prior to school?

These are the questions preschool is considering and we would welcome your opinion. You may email your views to **fiskertonpreschool@googlemail.com**

Fiskerton Preschool is currently run by a committee of parent volunteers and is a member of the Preschool Learning Alliance. This allows parents a direct influence on how the preschool is run but also requires parental involvement on the committee for the preschool to continue. Constitutionally parents of children currently attending preschool must form the majority of the committee. There is however the opportunity for members of the wider community with an interest and possibly with relevant experience to get involved and take on a role as treasurer, secretary or chair. Feel free to contact us.
