

## **Vicar's Blog:**

You may or may not be aware that the Methodist Minister, Revd Mark Lawrence left his post as Superintendent Minister in July of this year. He and his wife Carolyn left for pastures new in July of this year and are currently training to work abroad. This means that we welcome a new Methodist Minister, the Revd Alan Swann and his wife Julie. So instead of something from me this month, I have asked Alan to introduce himself to us. He writes ....

*Hi, we are pleased to have this opportunity to introduce ourselves to you. We originate from the South Derbyshire/Leicestershire border. Alan worked for his father for many years repairing domestic appliances and then as a lorry driver whilst he trained for the Ministry. Leeds was Alan's first appointment and then we moved to Shipston on Stour, Warwickshire which is on the edge of the Cotswolds where we have lived for the last 5 years. Julie has done various things, working in a bank before having the children, then as a teaching assistant, a receptionist in a Catholic Conference Centre/Hotel and currently as an administrator in the office of a Garden Centre. We have a son Jonathan who is married to Emma, they have a 1 year old daughter, Daisy and live in South Derbyshire and we have a daughter Catherine who lives in Leeds. We are really looking forward to the move and living and working in the Lincoln area.*

*Over the last few years we have experienced many blessings as God has worked in us and through us. We expect many more as we continue to serve God in the church and community of Lincoln North Circuit.*

**Alan and Julie, we welcome you both and look forward to sharing ministry together!**

Every Blessing

Penny

## PARISH COUNCIL NEWS

*Please be advised that these are notes of the meeting taken by the Clerk and cannot in any way be regarded as the official minutes of Council proceedings until they are approved and signed at the next meeting. Official minutes are available at [http://www.fiskerton-lincs.org.uk/html/meetings\\_minutes.html](http://www.fiskerton-lincs.org.uk/html/meetings_minutes.html)*

## PARISH COUNCIL MEETING – 3<sup>rd</sup> SEPTEMBER, 2012

- The Clerk was asked to contact
  1. LCC Highways about the condition of (a) footpaths in the village, especially on Reepham Road from High Meadows towards Primetake and (b) Blacksmiths Road; within a day of road dressing works the potholes were back and the dressing was coming off
  2. County Landscapes about grass cutting matters, especially on the Chapel Rise estate
- Planning permission has been granted for a detached double garage and small rear extension at 31 Ferry Road and an extension to the existing dwelling at Swallow Grange, Nelson Road.
- LCC Highways have instructed their contractors to fill the potholes and edge damage on the road towards Short Ferry
- WLDC are happy with how the newt pond/open space area on Ridings Close is being maintained. This is a wildlife area and the pond and surrounding area are kept as such.
- Plans are being submitted to WLDC for a teenage shelter in the grounds of the village hall
- Morris Homes have confirmed that they are the owners of the public open space on Holmfield and have given the Parish Council permission to undertake planting at its convenience and cost
- **Over the summer there has been an increasing amount of vandalism in the play area/grounds of the village hall. Important signs have been pulled down and broken; the gate near the teen shelter has been forced back off its hinges and may need to be replaced; one of the shackles on a small swing has been forced back and will need specialist equipment to repair. There is a risk that, if the vandalism increases, the play area would need to be closed. In addition, complaints have been received about the amount of litter left around the site. It's believed that a lot of this may be caused by unsupervised children using the area. The Parish Council would encourage all users of the play area to keep an eye on the area and encourage others to pick up any litter they are seen dropping to keep the site clean for all. The Village Hall Committee is looking into upgrading the CCTV equipment.**
- All dog owners/walkers are reminded that it is an offence not to clean up their dog waste and they can be reported to WLDC Customer Service for further action. There are dog waste bins sited throughout the village but there appears to be a recurring problem of waste not being picked up, especially in the Chapel Road area. In addition, dog owners/walkers are reminded that dogs should be under their control at all times, preferably on a lead.
- Date of Next Meeting: Monday, 22<sup>nd</sup> October, 2012 at 7.30 p.m. in the village hall

## **Parish Plan Comments: summary of results by Mrs P. Smith**

Definitely no more large scale housing is wanted. Although affordable housing for both the elderly and the young community of the village is acceptable to most village residents.

- ☐ Manor Paddock should be tidied up and retained, although not for housing. Most people would like to see it given back to the village for Sports usage. Interestingly though it is for both children and adult usage. The Pavilion suggestion is quite popular with those who commented
- ☐ Dog Fouling and Dog behaviour and Speeding in the village were equally important. Moving the Simple Sid around the village instead of just being placed at Primetake has been a suggestion made several times.
- ☐ Cycle Paths and Footpaths to Cherry Willingham and Reepham and from Shortferry to the bus stop were in the top four most mentioned topics.
- ☐ It is felt that a revision of the Bus Services is again due, as a lot of people, especially the elderly in the village, are not happy with the service. Another popular comment was not as many buses through the day, but a later bus service and Sundays and Bank Holiday services (maybe limited) has been requested. Bus stops and shelters were also mentioned a lot in this section.
- ☐ Policing is thought to be at best not good enough and at worst non-existent.
- ☐ A strong opinion with all was the keeping of the few facilities that the village already has i.e. Village shop, post office, school, village hall, etc., although a side comment was made several times that the village hall should be more accessible to more people in the village for all ages to enjoy. It would be welcome for all of the above to be allowed to expand within the village in time.
- ☐ Multi Sports playing field was also very heavily requested. Along with there being a lot of children in the village with nothing to do and nowhere to go to find anything to do, especially the 11's to 15's.
- ☐ It is also very clear that faster broadband is another big issue for a lot of village residents.
- ☐ This is followed closely by not merging with Cherry Willingham on Council issues, and it has also been agreed that Fiske ton's biggest nightmare is to become as over developed as Cherry Willingham.
- ☐ All people who commented found the Doctors and District Nurses service an excellent and valuable service (although occasional buses to Nettleham for the use of the Doctors Surgery there was mentioned also).
- ☐ A one way traffic system for the village has been suggested. Irresponsible parking on corners, blind bends and half on pavements is also an issue with village residents. Better parking facilities near the shop and church have also been highlighted, along with crossings at these points in the village.
- ☐ Better maintenance of footpath to the riverbank, along with a request for steps up to the footpath on the riverbank, and a seat on the riverbank has also been a popular issue.
- ☐ Bus shelters have been asked for in several questionnaires and also been a definite no to the idea from others due to the vandalism that can take place inside them.

Come and have your say: The Village Hall Tuesday 23<sup>rd</sup> October 7.30 PM.

Thanks to Mrs Pam Smith for précising nearly 300 comments and to Mr Graham Blackburn, Mr Patrick Mawer and Mr Paul Millns, all of the steering group and Mr David Willey and his neighbours in Blacksmith's Lane for their help in arriving at the short list.

Just one other thing this month.

## News from Fiskerton Scout Group

Well, Summer's just about gone but It's been a brilliant and exciting summer for the Scouts section. We've had Summer camp in August up on the moors of North Yorkshire, near to Whitby, the camping was fun and the weather quite kind. We've just had District camp in September, all three sections went to that, and nearly the entire group went to that. As this year is 100 years of Scouting in Lincoln District, we were hoping for a very special camp and we weren't disappointed! The weather was absolutely brilliant and so were the activities. The theme of the camp was "All the Fun of the Fair" and there were loads of activities based on that idea from things like splat the rat and horseshoes to the more traditional scouting activities such as climbing, rafting, and caving. The Cubs and Scouts arrived on the Friday night, put up their tents and camped through to the Sunday and the young Beavers came early on the Saturday morning and had a long day visit which culminated in a smashing campfire with lots of songs and silliness, after which, tired and happy, the Beavers went home. The Cubs and Scouts stayed till Sunday afternoon and had loads more fun.

September brings a new school year and a new Scouting year. For Fiskerton Scout group it has also brought us two new Cub Section leaders, Ben and Donna, who together with the existing leaders have developed a really exciting programme for Cubs to enjoy over the coming months including, amongst lots of other things, archery, visits out and first aid.

The Beavers are also very busy with a sleepover coming up and their leaders have got lots of things planned to keep the little ones entertained and challenged. The Scouts section will be out and about undertaking various challenges and tasks like climbing and ice skating. They also have more camps coming up in the coming months. So, all in all it looks like an exciting few months for all the children of the group, if you'd like to get your child out and active, why not check out our new website [www.fiskertonscouts.org.uk](http://www.fiskertonscouts.org.uk).

*"Every child has the right to an adventure.  
Life is about grabbing opportunities.  
The prizes don't always go to the biggest,  
The best and the strongest—  
they go to those who persevere  
These are simple life lessons that Scouting teaches."  
Bear Grylls—Chief Scout*
