Vicar's Blog:

I guess that by now, I have preached a lot of sermons. I suspect that some folk reading this will have listened to a lot of sermons. I often wonder, of the sermons that I have preached, how much of any of them does anyone ever remember, and has it provoked any response/question or change in the way they have lived their lives? I seem to remember having read somewhere that if you preach on Sunday, then by Tuesday 80% of your congregation won't remember a word of what you said!

Some sermons though, stick in the mind. This is one I heard of indirectly. It was preached by a man called Juan Carlos Ortiz. Ortiz was the Senior Pastor in a large South American church. However, he was concerned about things that were going on in his church. It had become stale, wasn't moving forward and there were things happening among the people that he felt weren't honouring to God. On this particular Sunday, he had prepared his usual passionate sermon, and was preparing to deliver it, when he felt that God was speaking to him and telling him to scrap what he had prepared. He was having an emotional battle with this when he was called to the pulpit to give his sermon, so went to the pulpit, and stood there looking at the people. He stood there for a few moments, not saying a word and there became an uneasy silence, the large congregation was wondering what was wrong with their usually articulate Pastor. Eventually he said three words: 'Love one another' and stepped down. By now everyone was looking around. The worship band struck up a song to cover the gap and the congregation continued to wonder what was wrong.

A week passed. The next Sunday, everyone arrived at church waiting to worship God and to hear their Pastor preach. Pastor Ortiz stood in the pulpit and uttered three words: 'Love one another'. By this time people started to get unsettled – what was the matter. These three words were the sermon, not just for two weeks, but week after week. Some people left, dissatisfied, but others stuck with it and the 'penny' began to drop Love one another..... what did that mean? How should those three words change the way they lived and when those three words started to transform the lives of the people, Pastor Ortiz moved back to his more 'traditional' way of preaching.

Jesus commanded us to 'Love one another'. It was a command. That implies to me that He knew it wouldn't always be easy, and sometimes we would be tempted to choose not to love. For love is a choice, and at times we have to choose to love not just our friends, not just those who we like, or who are like us, but to love those we don't get on with, love those who have hurt us, even love our enemies.

All this shows me that it's not about having a lot of words – we just need the right words and to act on them.
Every blessing

Help Raise Funds for St. Clement's Church

Without it costing you a penny!

With: easyfundraising.org.uk

How it works

easyfundraising.org.uk helps **charities** and other **good causes** to **raise money** when their supporters **shop online**. It works in a **similar way to many other loyalty shopping sites**, but instead of earning points when you shop, **you raise a donation for your cause instead**. It's as simple as that!
You can shop with over 2,000 well known stores and each will donate up to 15% of what you spend.

It doesn't cost you a penny more.....

plus they've got lots of **voucher codes** and **special discounts** so you can actually **save money** while you **help your good cause**. There is no cost for the good cause either – **the service is totally free**. Once you've registered, when you **shop with one of the retailers**, the system makes a note of your purchase, **collects the donation** from the retailer and **passes it to your chosen good cause**.

What to do.....

- Visit easyfundraising.org.uk
- Search for Fiskerton PCC (This is the name we are registered as with the Charity Commission)
- Follow the simple steps to sign up.

Thank You

West Lindsey Open Churches Festival:

Despite the windy and showery weather, St Clement's welcomed approx. 150 visitors into our beautiful village Church over this weekend. Whilst this number was down on previous years we received some excellent feedback about the warm welcome people received and also about the work of the children from our Primary School.

Special thanks go to the staff of the school for the work and for giving up time to display it in Church.

Thanks also to all those who helped in many different ways to make the weekend successful.

We are grateful for all the cakes and plants which arrived for sale and to all who manned stalls and welcomed visitors in. The soup and bacon baps seemed to go down well too!

We are delighted to have raised £658 for Church funds.

TOILET IN CHURCH

After some long and hard fund raising and form filling, we are pleased to announce that we have been given the go-ahead to place an 'accessible toilet' at the back of St. Clement's Church.

There are still a couple of things to be done, but if all goes well we should be able to begin work over this Summer. A toilet in time for the Christmas Tree Festival! Hurray!

Summer Coffee Mornings:

The Tuesday Coffee Mornings in St. Clement's Church will begin in June.

The first two dates are June 11th. & 25th.

Coffee/tea and cakes will be served from 10am – 11.30am

There will be a raffle and books for sale

Do come and join us and meet friends old and new.

Find out about Human Trafficking in the UK

Human trafficking is modern day slavery. It's serious organised crime and it's big business. Criminals can only profit from the sale of drugs and guns once but they can sell a victim's services again and again. The easiest way to understand human trafficking is to break it down into three simple parts:

The Act: WHAT is done e.g. recruitment, transportation, transfer, harbouring or receipt of persons

The Means: HOW it is done e.g. threat or use of force, coercion, abduction, fraud, deception, abuse of power or position of vulnerability, giving or receiving of payments and benefits used to control a person.

The Purpose: WHY it is done – to exploit victims e.g. in prostitution, other forms of sexual exploitation, forced labour or services, slavery, servitude or removal of organs from a person. Children as young as three have been trafficked into the UK for sexual exploitation. *(Information from Hope for Justice www.hopeforjustice.org.uk)

RAF FISKERTON AIRFIELD

My name is David Briggs (Tel: 01924 826298) and I assist Martin Nichols from Branston on the fiskerton airfield website. My uncle Flt/Lt Leslie Brown did 32 ops with 576 Sqn. from Fiskerton between Dec. 44 and May 45 and it was through him that I became interested in the airfield. Martin and I are rebuilding the website and this is the new one: www.raffiskertonairfield.co.uk
We would like to compile a profile of any one in the village who worked on the airfield in whatever capacity.

Also if any villager was in the Royal Observer Corp, again we would like their input. Martin and I work with 49 Squadron on any information we, or they, obtain and are both honorary members of the Squadron Association. Thank you for your help in this matter.

Time Flies!

First I would like to congratulate Ian Fleetwood on retaining his seat in the County Council election and also to thank him for his help in building the youth shelter. I would also like to thank those of you who voted for me and for your support in nominating me or for delivering leaflets. It was very much appreciated.

I have also an apology to make. In my flyer I put round the village when I missed the deadline two months ago, I mentioned "the Bedroom Tax". One reader pointed out there is no such tax on the statute books. There is, however, a levy on those receiving housing benefits should they be living in accommodation larger than their considered need. In principle I have no objection to this but there will be people in the district who would like to live in a smaller home but there is none available. They will have to pay the levy. I shall say no more.

What is new: the parish plan should now on the web for anyone wishes to take a look, together with statistics for the ward collected from the 2011 Census. And we are still looking for people to help build the nucleus of a sports committee. We have made a start but another four or five members would be much appreciated. Please get in touch.

Dogs bite! I was bitten twice when delivering leaflets! Once in Cherry Willingham when stuffing a leaflet through a letter box and once in Southrey. The second incident was more serious. I pushed open a set of gates to find a letter box and a large Alsatian tried to bite me on my toe, then my shin and succeeded in biting me on my stomach.

I was tired and did not notice a sign on the property boundary. Had I been a child or frail, the situation would have been worse. A few hundred yards down the road I was chatting to a dog walker, who had a small dog on a short lead. His dog had recently been attacked by a couple of other dogs, not so well restrained.

Why do I mention it? In the last couple of years a number people have complained to me that their pets had been attacked, either because a dog had got out from its garden through a hole in the fence or because the aggressor was on a long flexi-lead and the owner was not able to reel the dog in fast enough. Fortunately, as far as I know, there has been no serious damage done, but the victims owner's have, naturally, been distressed. My recent experience has shown me just how easily, unexpectedly and fast such an incident can arise.

Bus shelters. In the last month a number of people have phoned requesting a bus shelter(s) for Fiskerton and now that I use the bus more, I can see why. To be able to wait for the bus out of the wind and rain and to be able to sit rather than stand while waiting is a reasonable request to make. Unfortunately, bus shelters are not free. Cherry Willingham Parish Council had to pay for theirs. Grants were available to reduce the £4500+ each cost. Would a bus shelter be a benefit to you? If the answer is yes, why not have a word with your Parish Councillor and make your ideas and feelings known.

Nettleham Medical Practice And Cherry Willingham Branch Surgery NEWS:

Retirements

Dr John Craven will be retiring from the practice at the end of July 2013 after 36 years. He will be sorely missed by everyone at the practice and by many patients. We wish him the very best in his new ventures. **Janet Holland**, our Health Visitor is also retiring. She will be leaving us in the middle of April. On behalf of everyone at the practice and all of the patients that have seen Janet over the years, we wish her well in her retirement.

Baby Clinics

The Health Visiting team would like to notify all parents and carers that due to recent changes the 'Well Baby Clinic' previously held at Nettleham Surgery has ceased as of 1st April 2013.

From 29 May 2013, the nearest 'Well Baby Clinics' will be held on alternate Mondays at Welton Children's Centre from 1pm – 3pm and at Cherry Willingham Children's Centre on alternate Wednesdays from 2pm – 4pm.

CQC Registration

The practice is pleased to announce that it has successfully become registered with the Care Quality Commission (CQC) as of 1st April 2013.

Monthly Early Closures for Training

In order to enable our doctors and staff to be kept up to date Nettleham surgery will be closed for training from 1pm on the following afternoons. Emergency help is still available by calling 111.

Patient Participation Group and Voluntary Driver Scheme

We are still welcoming patients who wish to join our Virtual Patient Reference Group (PRG). The purpose of this is to have a large group of patients that the practice will contact by email a couple of times each year to ask for their opinion on its services etc.

If you are interested then please complete one of the join up forms at reception or contact Sarah Liron at the practice for more details.

Our second local patient participation report is now available to read on our website. The report displays the results of the survey which was undertaken by our PPG in the waiting rooms at the practice and also by member of our PRG.

Meg Rawden – PPG Chairperson

At the present moment we have sufficient cover in most villages we service but are in need of volunteer drivers at Nettleham.

If you are interested, please leave your contact details with one of the receptionists at either surgery and I will make contact with you and discuss some of the finer points of the scheme.

Eileesh Lightowler, Issy Bochel, Deanna Armstrong, Molly Maddison, Megan Desforges, Olivia Prescott, Lily Robson and Jorji Wright are gearing up for yet another successful fashion collection performance on the Drillhall's catwalk on Wed 3rd July. The work is fantastic and they are hoping for a third successive win for the school. Their collection is called 'Insectichic' inspired by creepy crawlies and they will be rocking the catwalk to Florence & the Machine

Football

The year 11 football team have won every game and for their last ever match faced a league play-off final against Priory LSST for the championship. What a fantastic performance. They ran out 2-1 winners, with a Kieran Helsdown's penalty followed by a Jordan Edward's header with 3 minutes to go! Jamie Bradley, Steven Brammer, Joe Marshall, Tom Maxwell, Alex Burgess, Aaron Smith, Elliot Dye, Jordan Edwards, Jordan Whitlam, Kieran Helsdown, Steven Radley, James Underwood, Tommy Galloway and Ben Ayres have all been outstanding in terms of attitude, effort and performance.

Science Gifted and talented Cherry won the overall competition at the Lincoln University Science and Technology gifted and talented day. We will be competing in London later in the year. Go team Cherry!! Teams led by George Watson and Kali Cox were the winners.

And finally.....The driver of the Wragby bus complimented our students on how tidy they leave the bus.

Nettleham Police Team

Firstly let me introduce myself, I am the new volunteer Admin officer at the Nettleham Village Police Station. My name is Lynn Chantrey and I have lived in Langworth for the past 18 years, I am a keen biker and can often be seen riding my big blue trike, you cannot miss me as it is the only trike that carries a wheelchair on the back of it. Since being confined to the chair I have been looking for work that will keep me out of trouble, volunteering at the station seemed the right thing for me, the officers have been very welcoming and I feel part of the team already so because of this I will now be at the station every Tuesday from 2pm till 4pm and every Thursday from 9am till 4pm so if you want to pop in with any problems or just for a chat please feel free to do so.

We are pleased to report that crime is low at the moment with reported crimes investigated and dealt with accordingly.

If you see or hear anything suspicious that you would like the Police to hear about please ring the 101 non emergency number, this number is not instead of the 999 emergency number, if it is and emergency please ring 999 as usual.

Summer is supposedly here although I am not sure where, but that still doesn't stop the grass and hedges growing, with this in mind here are a few tips on keeping your garden equipment safe from sticky fingers.

- ❖ Think about upgrading your security on the garden shed, better locks, or a bar across the door.
- ❖ Make sure you put everything away at night.
- ❖ Think about post coding your valuable items, NPT have a free service.
- ❖ Most criminals like to look in the daylight to see what you have got then come back after dark, so covering the windows of your shed or garage is also an option, what they can't see they can't get.
