icar's Blog :

Over the last few months in our churches we have been talking together about:

- Vision
- Values
- Vocation

So, what is our calling together as Christians; what values do we hold and where do we want to get to in, say 5 year's time – what is our God-given vision for our churches. It has been good discussion, we haven't always agreed but we have talked 'from the heart' about what drives us and what we believe God is calling us to. I found it heartening to talk about our vision and discover how much unanimity there was among us to grow, not just in number but also in depth as followers of Christ.

Inevitably in those discussions we talked a lot about what we want to do. Then I came across this quote from Max McPhee:

The first question for a leader always is: 'Who do we intend to be?' Not 'What are we going to do?' but 'Who do we intend to be?' (Max DePree)

It is very easy, isn't it, to unearth a vision and then to plot out the steps to get there, and yet perhaps we need to think about who we intend to be as people of faith. When I ask myself that question, I come to a very swift conclusion – what I intend to be is a person of prayer and one who lives out my Christian faith in a way that helps people to connect to a God who, I believe, loves beyond measure. Frankly, I can organize all the activity in the world, but if folk don't see something authentic and real in those of us who are Christians, then the activity will just be a waste of time, and frankly, dishonouring to the God we profess.

During the course of our discussions, a couple of our folk contributed this prayer. It is one that we shall pray often in the coming months and years. Feel free to pray it and to share it as we continue to work out who we intend to be as Christians in our community....

Eternal Father

Who weaves us all into the continuing story of grace:

grant that, as we in Fiskerton continue to place footsteps with faith around our community,

we may live our lives in a way that allows your story to shine through,

encouraging and challenging others to live their part in it:

through Jesus Christ your Son our Lord,

who is alive and reigns with you in the unity of the Holy Spirit,

one God, now and for ever. Amen

Blessings, Penny

WANTED..... A new Fair Trader
on behalf of churches in Cherry, Fiskerton
and Reepham

At the end of this year, the present Fair Trader, will be retiring from selling Fair Trade products and representing Traidcraft across our Benefice. It would be wonderful if there was someone who would like to consider taking up this role and continue to sell items on behalf of Traidcraft.

Traidcraft is a Christian-based organisation which has been fighting poverty through trade for over 35 years.

There have been Fairtraders in our Group of Churches for over 15 years and many of you have been strong supporters of Traidcraft's work throughout this time. It would be wonderful for this to continue. If you are interested and would like to know more, then please contact Lynda Forman 01526 398316 or email: lyndaforman@btinternet.com

***You don't have to face
things alone***

Times have changed with people working
longer hours and relatives living long distances

apart. We often don't know what is going on in people's lives. They could be suffering through bereavement or trying to tackle depression. They may be experiencing a major life challenge – for example, a breakdown in family relationships or recovery following accident or illness. Some people just feel very lonely and isolated and don't know where to turn. We have noticed this gap and designed Assist for individuals who would benefit from one to one support to help them regain their confidence and get back on their feet. Our services are free and entirely confidential and we cover the north of Lincoln and nearby villages including Fiskerton, Cherry Willingham and Reepham. You can refer yourself to our services or ring on behalf of someone else (with their permission).

Have you got a few hours a week to spare?

Assist is supported by a number of local churches and receives funding from an NHS Mental Health Promotion Grant. This means that with the help and support of caring and committed volunteers, we have seen real improvements in the lives of the people we get alongside. We believe that Assist Volunteers can offer a lifeline and new hope for the future. You only have to commit to a minimum of 4 hours a month which you can fit around your lifestyle. Full training and DBS checks will be provided and volunteers are supported in their role by the Assist Co-ordinator.

Get in touch

If you would like more information about receiving help from Assist or you are interested in volunteering please contact Jenny Pepper, Assist Coordinator on 01522 370164 Monday – Friday 8:45am - 12 noon (answerphone outside of these times)

NEIGHBOURHOOD WATCH

'CRIME CANNOT FLOURISH IN A COMMUNITY THAT CARES.'

Lincolnshire is a safe county in which to live, with a very low crime rate. However as there cannot be a police officer standing on every street corner, it is necessary to enlist the help and support of the general public. After all, you and your neighbours are the ones most aware of what is going on in your neighbourhood. With co-operation you can help prevent many crimes from happening in the first place, thus making your community safer and reducing the opportunity for crime to happen.

There are many advantages to be gained from Neighbourhood Watch schemes:

- A sense of greater contentment and security amongst participants;
- A feeling of being involved in the community – bringing back a community spirit and giving you peace of mind;
- You may also be entitled to a reduction in your home insurance premiums.

For further information about Neighbourhood Watch in your area, please contact the Lincolnshire Police Community Safety Department:

THANK YOU:

Fiskerton Primary School would like to say a huge thank you to everybody that came and supported their summer fair in July. The weather was glorious and a great time was had by all. Due to the generosity of people, a total profit of £893 was made.

NEWSLETTER INFORMATION:

If you wish to place items in **Fiskerton Newsletter**, they **MUST be with the editor before 19th of the month**. Items can be handed in at Wishing Well Stores, or they can be posted to Mrs L. Forman, 'Applegarth', Ferry Rd. Fiskerton, Lincoln LN3 4HU

NEIGHBOURHOOD PLAN:

Since the last update on the Neighbourhood Planning Group activities in the May Parish News, steady positive progress has been made. We have had five meetings and the main outcomes can be summarised as:

1. Issues concerning the Manor Farm Paddock have been transferred to the Parish Council. The PC has arranged for a meeting in September with the Church Commissioners and West Lindsey to discuss how the PC might acquire the Paddock to be able to manage it as a community asset. The Neighbourhood Plan has the Paddock as an open "Green Space".
2. Specific consultation events have been organised for owners of businesses in the Village and residents of Short Ferry on Aug 24 and Sept 9 respectively. A larger consultation event is planned for October/November when the current draft of the Plan is completed.
3. The PC has received a grant for funding many of the expected costs of professionally producing the Plan and supporting documents. More grants will be applied for, so the expected net cost to the PC will be zero.
4. The NPG has welcomed two new members to help steer us through the final difficult stages. Luke Brown of West Lindsey and Natalie Cockrell of Bassetlaw District Council are both professional planners with experience of Neighbourhood Plans.

Overall the message is positive and we do intend to produce a plan that the residents of Fiskerton want, so it is most important that you speak to members of the NPG and PC, if you know them, and come to the consultation events to express your views which are needed for this plan to be successful and for Fiskerton to develop into a pleasant sustainable rural village.

NETTLEHAM MEDICAL PRACTICE

FLU CLINICS

It's that time of year again when the practice once again start to plan the annual flu clinics. We are pleased to announce that our Flu Vaccination clinics will commence at the beginning of October and run periodically until the middle of November. Influenza is a virus causing a lung or respiratory infection. While for most people it is only an unpleasant illness that should pass in about a week, it can cause serious complications, particularly in young children and older adults.

Getting a flu vaccination is the most effective way to stop you catching flu and passing it on to others.

Vaccination is available for patients who fit one of the criteria listed below:

- Pregnant (at any stage of the pregnancy)
- Children aged 2, 3 or 4 years of age (the vaccination is delivered via nasal spray rather than injection)
- A Carer (If you are the main carer for an elderly or disabled person, their well-being could be placed at risk should you fall ill)
- Aged 65 years or over
- Aged 6 months and over and suffer from any of the following conditions:
 - Chronic respiratory disease ** Chronic heart disease
 - Chronic kidney disease ** Chronic liver disease
 - Chronic neurological disease ** Diabetes
 - Immunosuppression

Appointments will be available to book from the week commencing 17th August 2015. You can book an appointment either online (if you have registered to use the online system) via the practice website or by contacting the practice by telephone after 10:30am any day. Telephone - 01522 751717

Chris Darcel, Independent District Councillor for the Cherry Willingham Ward.

The overriding **framework for how West Lindsey grows** is the Joint Local Plan and this will be available for scrutiny in October. It not only affects our village but of all those round us. How many houses, how much open space, a whole range of issues for us living in Rural Lincolnshire- but villages which Lincoln would like to annex.

The next is our **neighbourhood plan**. There has been plenty of behind the scenes activity and we are now ready to launch the next round. There are several issues which need to be run past the whole village and I hope local businesses and other groups, including youngsters, will get involved. Please come to the meetings.

There is one very good thing that has come out of all this so far: The Paddock and other open spaces should be part of the new Local Plan and should be protected for the next 20 years. Also the trees on The Crescent are now protected by TPOs..

With luck the Parish Council will be able to purchase the Paddock and mould it into a delightful landscaped open space for the enjoyment of all.

Then of course there is **the bypass!** That currently is my No. 1 issue. Preparing arguments has taken hours of my time. The Inquiry is now half over and it is likely to be several months before the result is known. This time the Inspector is a highways expert, but I cannot second guess his final thoughts.

When the Inquiry started I was of the opinion, let's get the road started ASAP and that the original road bridge wanted by myself and others, could be substituted for the horse bridge for very little extra cost and zero time delay.

Now it is apparent that a number of other corners have been cut and the funding is suspect. Government money is safe, but it is the £34M promised by the District Councils from CILs that is not. When the original Joint Local Plan was thrown out in 2013 West Lindsey's ability to collect Community Infrastructure Levy was lost. In West Lindsey's case planning applications are arriving so fast, it may be all 20 years' worth some 7,500 new homes, will have planning applications lodged before the local plan is in place and the District is able to levy its CILs.

Having listened to the Inquiry so far, I believe we should go for the original full bypass now, plans are there, and that LCC and the Government accept its full responsibility for finding the money. We pay enough in Road and Petrol Tax, we should get something back.

It's not mine! In several previous months I have mentioned how annoying and dangerous it is to have cars parked over pavements so that Mums with prams and buggies or the elderly cannot get by.

I know of one young lady, a bit older than myself who suffered a nasty accident as a result.

Over the weekend a car was parked outside my house, almost blocking the pavement.

It was not a problem for me but I can think of several frailer people who would have not wanted the squeeze. I was not guilty!

A Parish Council Request:

Following an incident where several dogs were seen to be let to roam without leads across several residents' gardens and roads, can people in control of walking dogs around the village, be aware that it is not fair or acceptable to let this happen.

Please respect other residents of the village when you are coming off open land and keep your dogs under proper control.

Thank you.

COMMUNITY GROUPS NEEDED

Charities and community groups are being encouraged to apply to be part of Lincolnshire Co-op's Community Champions scheme, which could see them raise hundreds of pounds.

All Lincolnshire Co-op members are linked to a Community Champion, which is a good cause close to where they live. Every time a member shops using their dividend card in any Lincolnshire Co-op outlet where points are issued, a donation from the Community Champions pot goes towards their local good cause.

The groups change every three months so lots of organisations can benefit. If a member chooses, they can also sign up to give their donations to one group all year round.

Typically, after every three month stint, around 80 local groups share in £45,000. Now, the Society's Membership and Community team are looking for more groups to come forward and get involved.

"It's a great chance for charities and community groups to get a fundraising boost," said Lincolnshire Co-op's Member Engagement Manager Richard Whittaker. "We know there must be lots of groups out there that could benefit and it's really simple to apply to be a Community Champion. Groups just have to fill out a short form and if they're chosen, they'll be able to raise hundreds of pounds."

"The more our members shop in our outlets, the more the Community Champions raise, so if a charity or group rallies their supporters the total could be even more."

For more on the Community Champions scheme and how to apply, visit Lincolnshire Co-op's website: www.lincolnshire.coop/communitychampions or pick up a form in your nearest store.
