### Vicar's Blog:

*'.... Jesus showed them His hands and His feet.... And they still did not believe it because of joy and amazement....'*

It's either just about to be, or has just been Easter – depending on when you pick this up. This is the pinnacle of the year for Christians – the remembering of the cross and the wonderful celebration of the resurrection. It's a season of rich imagery as we walk with Jesus through the euphoria of Palm Sunday, the devastation and pain of Maundy Thursday and Good Friday and into the glorious celebration of Easter Sunday – there is such a change in aspect and emotion, by Easter Sunday we all have a different perspective, a different view of the world – even for Christians 2000 years later.

Which all makes me wonder how it must have been for the disciples – those who followed Him closely, watched His every move – those who came close to Him as a friend and brother. We get some glimpses of that from the Scriptures. After the resurrection we read accounts of Jesus appearing to people in many places – He meets two men on the road to Emmaus and shares the Scriptures with them; He appears to the disciples as they were eating together. These disciples were puzzled, trying to make sense of all that they had seen and heard – beginning to remember the things He had said and trying to fit them together with what they had seen and experienced, wondering whether it could all be true – and then Jesus appears to them, and shows them His hands and His feet *'and they still did not believe it because of joy and amazement'*. Have you ever been in that situation in life – where something happens, something joyous and amazing happens, and you just can't believe it even though it is right in front of your eyes? It's a feeling that new parents get when they see their newly born child; the feeling that reunited family members get when they have lost their roots and are suddenly face to face with a brother or sister they never knew they had. The disciples were beginning to add it all up together and they could barely believe it was really happening. I know I too have been in that place..... I was in it when I first became a Christian.... I was in it when I was ordained, the pinnacle moments .... But I know too when I have prayed for a circumstance or situation, or for a plan to come together and it has happened .... Most of all when I have seen people come to faith because they too have been confronted by the joy of the resurrection...

I know that for some it's all too far-fetched – but for me it's all life giving – take a risk - give your life to Jesus!

Every blessing for a wonderful Easter,

Penny

## **Parish Council Notes – February's Meeting**

**<http://fiskerton-lincs.org.uk/home/parish-council/>**

*Note! These are brief informal notes from the Council. The official detailed minutes of all meetings are available on the website once they have been approved at the following meeting.*

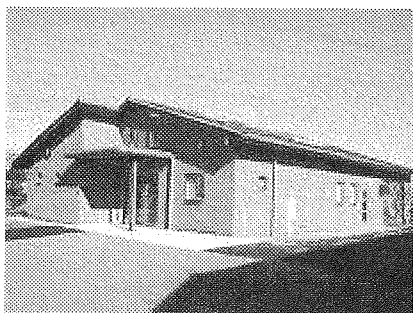

As is normal, this month's meeting commenced with the **public open session** which is for members of the public to raise items for discussion or ask questions of the Parish Council. A lot of highways issues were raised and will be passed onto LCC Highways for their consideration, while we are glad to pass these issues on, we would ask that as many people as possible use the LCC's own reporting tool – the more people who complain the better. The tool can be found at <http://www.lincolnshire.gov.uk/report-highway-defects/41433.article> or just search for "Lincolnshire highways report" which should take you there too.

The other main topic was the issue of people using a **pull in opposite Seven Acre Farm** to use it as a toilet. Distinctly unpleasant, and made more so by the way the residents have been abused both verbally and physically. It has been going on for a long time now with the Forestry Commission, police and even our MP Edward Leigh getting involved. No obvious solution is in sight but we are happy to support the residents in any way we can.

**PCSO Jackie Parker** also attended the meeting and told us that overall the area had been relatively quiet although there have been a number of thefts from vehicles in the surrounding area so please take care.

**The new bus shelter** for near The Holt is imminent and may even be in place by the time you read this. Cllr Canner gave us a brief update on the Neighbourhood Plan and things seem to be move on a pace now. You should be receiving a Housing Needs Survey and we would encourage everyone to return it, as it will provide valuable information and insights for the Group.

After some thought, the Council has decided to continue with **Litter picking** around the Village hall and play areas and it was felt that the Teen shelter may be able to be repaired for a small amount but its condition would be monitored closely. Whilst on the subject of the Play area, it has become apparent that a number of repairs are necessary to keep the children safe. Some are small matters such as replacing grass mats but by far the biggest expense will be repairing the swings some parts of which have become seriously worn, for example the shackles and retaining bar – it is felt that is primarily because of a small number of adults using the swings and sometimes for excessive periods. Can we again remind residents that the play area is for children. The repair bill this time will be in excess of £1400.

**The Next meetings** will be the Annual Parish Meeting at 6:45 on the 21<sup>st</sup> March in the village hall, It is not strictly a Parish Council meeting but a meeting where reports are presented to the electorate about the previous year's activities, as well as from the Council there should also be reports from the Village hall, school and other community groups. The Parish Council meeting proper will follow at 7:30 pm. Of course all are welcome but if you can't make the meeting but would like something to be raised then please email the Clerk on [clerk@fiskerton-lincs.org.uk](mailto:clerk@fiskerton-lincs.org.uk)

**First I would like to thank the Litter Pickers.**

Five Mile Bridge is a favourite dumping ground for people clearing out their cars. There is a litter bin nearby but drivers seem to prefer to just dump their rubbish on the grass. Fortunately there are several public spirited individuals who repeatedly clear up the mess. Sadly, no sooner has one pile been cleared another load is dumped. It is a shame that our car proud motorists have so little pride in Fiskerton's only river access point. I am sure many of us are most grateful to the litter pickers for your efforts in keeping the river bank tidy. Thank you.

**The Lincoln Eastern Bypass.** What a disappointment. While one or two residents thought closing Hawthorn Rd was a plus most people I have met, here, in Langworth, Cherry Willingham and Reepham were all for the bypass and a proper bridge at Hawthorn Rd. The reason for the folly: The County Council is short of money. Having run a small business for a number of years I can see where the local government machine wastes our cash. I feel more enlightened financial management would have avoided the County Council cuts we are seeing today and that finding the extra few £s for a proper bridge at Hawthorn Rd need not have been difficult.

The problem is once the County Council had decided to cut Hawthorn Rd it did not wish to be seen to have got it wrong.

If you listen to BBC Radio Lincs you may have heard my interview with Rod Whiting on Saturday 13<sup>th</sup> February. Rod, like me, is concerned that the money promised to villages under **the Localism Act** to compensate for all the new housing is not forth coming. The County Council and District Council get income but the villages get none!

If Fiskerton grows, as it probably will, - we will likely need an extended village hall, more parking spaces and more swings and round-a-bouts, a football pitch and allotments. But where is the money to come from? Not everybody wants the village to grow. Many would like the village to stay as it is or perhaps grow 10 or 15% as indicated in the Local Plan Document for other villages our size. I feel, however, a higher growth rate is inevitable.

West Lindsey, Lincoln, Lincolnshire County Council and the Government are mad keen for extra homes and Fiskerton, being close to Lincoln is a prime target. In my opinion the best we can hope for is some control over what goes where and to a lesser extent, how much. Which is why we need **the Neighbourhood Plan**. It is our opportunity to map out the Fiskerton of the future. So please fill in the Housing needs questionnaire, add your comments in the space provided and please come to the meetings!

Villages like ours need more open space for our youngsters than allowed in the Local Plan. Currently there is nowhere for them to go to kick a football, fly a kite, play street snooker or French cricket or practice their skate board skills or test their proficiency on their mountain bikes. This needs to be rectified.

Please make your thoughts on the future of Fiskerton known.

Nettleham's Neighbourhood Plan is done. We need a similar happy solution here. If you would like to contact the Neighbourhood Plan steering group or myself, or fellow councillors, with your concerns or ideas please do.
