Fiskerton's Future

The Parish Council believe that all the residents of the village are now aware of the development of the Neighbourhood Plan

The Parish Council is continuing the process and would be grateful for your help by completing this FINAL survey. We hope everyone will take part and ensure that we encompass all your views and suggestions

This is your plan and must be your choice

The focus of the Neighbourhood Plan is housing but also all future development in the Parish (Fiskerton Village & Short ferry) for the next twenty years.

PLEASE HELP your community and your family by filling in this questionnaire and encourage all your family, young and old, to contribute.

The younger members are the future of the village and their ideas are important

Whatever the final proposal is, firm evidence is needed to support the document. This survey is just one of the necessary steps in collating the evidence.

When completed please seal in the envelope provided ready for collection

It would be helpful if you could provide a post code to help with the analysis of your responses. All information will be treated confidentially in accordance with the Data Protection Act and only used in connection with the Neighbourhood Plan.
